

Event \*

63

muffled boom, explosion  
powerful light  
whinning, ripping, water sounds  
large dome shaped object rising up out of water

Connected -

Building - perhaps fenced in single story  
- gray, mixed materials, smooth, varied heights, flat  
- build. has a strange feeling, secretive, quiet, electronic feeling  
- (a place to be avoided?)

People - foreign black hair  
- white and black uniforms

\* event was described immediately after Cross-Crossing, manmade I
